

**NOTICE OF INTENT TO PREPARE OR AMEND A WRITTEN ANALYSIS OF  
PROPOSED IMPACT FEES**

**MT OLYMPUS IMPROVEMENT DISTRICT**

Notice is hereby given that Mt Olympus Improvement District, a political subdivision of the State of Utah, intends to prepare and/or amend a written analysis of proposed impact fees or to contract for the preparation or amendment of a written analysis of proposed impact fees related to the implementation or amendment of impact fees. The impact fees to be considered will be charged to development and used to offset the cost of facilities to serve development. These facilities may include, without limitation, wastewater collection, treatment and delivery facilities, buildings, structures, fixtures, real and personal property, machinery, vehicles, equipment, and all structures, infrastructure, appurtenances and facilities related thereto, investments in other governmental entities including all such property, improvements, structures, and infrastructure owned or utilized by such other entities.

For more information about the written analysis of proposed impact fees and the process of its preparation, or to provide information to be considered, please contact the project coordinator:

Name: Dean Ayala, P.E.  
Title: District Engineer  
Address: 3932 South 500 East  
Salt Lake City, UT 84107-1895  
Email: dean@mtoid.org

Any information provided for consideration as the written analysis of proposed impact fees is prepared and considered should be provided in writing or via email using the contact information above.

Dated this 6 day of February 2020.
